To whom it may concern,

In October of 2021 Northern Australia Primary Health Limited (NAPHL) was pleased to engage TM Murphy Constructions as a builder for the renovation of our headspace Whitsundays Office.

We found Tim Murphy and his team extremely responsive both in the tendering process and working with us to achieve the best possible outcome with the highest level of workmanship, attention to detail and quality along with a focus on professionalism. Their work included repairs and remodelling of an existing premises performing under a very tight schedule with high visibility.

It was a pleasure to work with Tim and his team.
